Annual Elections for all activists within the Leeds Teaching Hospitals UNISON Branch

Any UNISON member can stand for a branch position (full training with paid time off from the employer is available for most positions), although APF Officers and Retired Members Officer can only be selected from their respective groups. UNISON encourages all members to take an active role within the branch, (irrespective of race, gender, sexuality, disability, age or creed) from Workplace Contact (receiving mail from the branch and contacting the branch office when issues arise locally), to Branch Secretary. We also encourage people to participate on a job share basis.

Please tick the relevant box for the position you would wish to be nominated for (contact the branch for details of job descriptions for Branch Officers Posts, Stewards and Health & Safety Reps – call 0113 2064369) and complete your personal details and details of the people who are nominating you, overleaf.
